b) Application for a Review of the Premises Licence - Street Corner Shop

The Sub-Committee received a report on a request from Essex Trading Standards (ETS) to review the premises licence granted to the Street Corner Shop in relation to the prevention of crime and disorder licensing objectives, following the discovery and seizure of illicit tobacco concealed in the premises.

Members of the Sub-Committee considered the report (including the tabled and separately circulated documentation) and the evidence presented to the hearing by the licence holder's representative and

representatives from ETS and Essex Police, to determine the case in accordance with the provisions of the Licensing Act 2003 S52.

In line with the procedure, Sub-Committee members retired to consider the case, accompanied by the committee clerk and the Sub-Committee's legal advisor.

The Sub-Committee reconvened in public session to give its decision, which would be confirmed in writing within five working days.

RESOLVED that the licence be revoked.
