I hope you are the right person and I apologise for the late response, however all parties involved in the ownership and management of the Sapphire Harlow Nominee Ltd properties strongly object to the introduction of a sausage burger stall in Broad Walk.

The reason for this is the quality of the kiosk and how it will detract from the investment into the town.

We will not be able to attract vital leading retailers whilst the council continue to allow poorly run un-regulated/managed traders in the town.

I do hope you understand and are as keen as we are to see Harlow grow from strength to strength. If you wish to discuss this or anything else please do not hesitate to contact me.

Regards.

Hi Debbie

Thanks for your email regarding the new application to sell hot dogs.

As we just disused on the phone my licence  
Allows me to sell hotdogs .

As discussed when putting the new unit there  
This year we did say that I would sell hot dogs  
To warrant buying a new unit there..  
If there was another person selling hotdogs it  
Wouldn't be good for myself to have to trading  
Sausages in a close area...

I no a long time ago I tried to apply for burgers and it was turned down as McDonald's that's why  
they go on the market ..

Thanks again for your help.

OFF THE CHILDREN MUST BE CONSIDERED.  
ALSO MY ACCESS MUST BE TOOK  
INTO CONSIDERATION.

I HAVE NO OBJECTION TO THIS
