

Prevention of public nuisance	✓	The extended hours for drinking and entertainment will have an impact on noise and disruption to the residents and the local environment. This building is a grade 2 listed and therefore with music and entertainment licences as proposed, will not have sufficient sound proofing, disrupting young families that live in the proximity of this venue. The licensing should take this into consideration. The music and entertainment hours that have been suggested in the applicants application has the potential to cause disruption and public nuisance to the local residents.

Are there any changes you would like to see which the applicant could take which would address your concerns? If yes, please give details. ✓	Sale of supply of alcohol, Friday & Saturday 11.00pm – 1.00am Recorded music Friday and Saturday 23.00 – 00.00 Provision of entertainment or similar Friday & Saturday 11.00 – 01.00 Whilst I would support the reopening of the marquis I feel there could be issues with the hours on the license for alcohol and entertainment due to late opening times. This would have an impact on the residents that live in the proximity. A reduction in trading hours (e.g 11:30pm closing) and a consideration of disruption limitation to the local community would make the proposal more acceptable.

If you make representation we will invite you to attend the Licensing Sub Committee hearing.

Please note: You should be aware that the applicant will normally be given a copy of all representations received and if a licensing application is to be considered by a Committee of the Council, any representation received will be made available in a publicly available report submitted to that Committee.

Which of the four licensing objectives does your representation relate to? (Tick as appropriate)	(✓)	Please detail the evidence supporting your representation, or the reason for your representation. Please use separate sheets if necessary.
Prevention of crime and disorder	✓	With extended hours there is a high chance of causing disturbance in the early hours to the local residence. We ourselves who have 3 young children.
Public safety	✓	With the late licensing it could cause potential risk to the public and the local residences, due to the late night drinking, ^{causing} drunken behaviour and unsociable behaviour.
Prevention of public nuisance	✓	This will have an impact on noise from music being played, to the residences, especially numbers 1-6 who live directly behind it, again who have young children, who have previously been woken due to loud music being played.
Protection of children from harm	✓	Due to loud music and drunken behaviour, previously my children have been woken and scared because of the noise, and people talking/ fighting. Also glasses being smashed outside the houses of the Seeleys.
