

HARLOW LOCAL HIGHWAY PANEL – REPORT 2 – SCHEMES AWAITING FUNDING

The following Schemes Awaiting Funding list (previously the Potential Schemes List) identifies all the scheme requests which have been received for the consideration of the Harlow District Local Highways Panel.

Members are asked to review these schemes and consider funding recommendations for those they wish to see delivered in 2019/20 and remove any they would not wish to consider funding.

The breakdown of scheme types available for consideration in 2019/20 is as below:

Scheme Type	Total Estimated Costs
Traffic Management	£59,500
Walking	£183,000
Cycling	£96,500
Passenger Transport	£127,500
	£466,500

Costs supplied are estimates only and there is the possibility that a final scheme cost can change significantly dependant on issues which may arise during detailed design and construction.

The following list identifies all of the scheme requests which have fed into the Harlow LHP. The RAG column acknowledges what the status of the request is as below:

G	The scheme has been validated as being feasible and is available for consideration
A	The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered
R	A scheme request has been received but is against ECC policy or there is no appropriate engineering solution
V	A scheme request has been received and is in the initial validation process
