Questions from Councillors

1 Councillor Simon Carter to Councillor Mark Ingall (Leader of the Council):

In your recent discussions with the leader of the London Borough of Enfield when she agreed to stop using Redstone House for temporary accommodation, did she tell you what they intended to do with the building?

Reply from Councillor Mark Ingall (Leader of the Council):

I plan to meet with the owners of Redstone House in the near future to talk about how they intend to use that building once Enfield have vacated it. What is important is that a first step has been taken in stopping the outsourcing of London's housing crisis to Harlow with all the attendant problems that the toxic combination of PDRS and the Local Housing Allowance cap is causing.

Supplementary Question from Councillor Simon Carter to Councillor Mark Ingall (Leader of the Council):

Have you spoken to the leader of Enfield Council about what they intended to do with Greenway House?

Supplementary Reply from Councillor Mark Ingall (Leader of the Council):

I have spoken to her about Greenway House and agreed that vacation of temporary accommodation sites would be taken one step at a time.
