	Key Questions	Notes	If further data collection is needed – state by whom, when and how is it going to be done?
2.1	<p>What quantitative (numerical) data do you already have (e.g. national and local demographic data, equality monitoring data, employee data, customer profile data etc) about those who use or will use the policy or service? What gaps are there in the data? What else do you need?</p> <p>NB. Attach copies of the relevant data that you are using for this assessment</p>	<p>The scheme was originally modelled based on existing costs, taking account of a potential council tax increase, demand for the scheme and the reduction in Revenue Support Grant. The scheme was originally modelled to be cost neutral, but current estimates are that the scheme costs more than the current level of grant received.</p>	<p>It is not possible to identify the actual grant received to support the scheme as this has been subsumed into overall formula funding.</p>
2.2	<p>What qualitative data do you already have (e.g. results of customer satisfaction surveys, results of previous consultations, staff surveys, analysis of customer complaints/comments, feedback from community groups or individuals etc) about those who use or will use the policy or service? What gaps are there in the data? What else do you need?</p>	<p>The proposed scheme for 2020/21 for working age claimants does not vary from the current scheme. Consultation is legally required where there are proposed changes to the scheme.</p>

Please state below what formal or informal consultation has taken place or that you are planning to hold with appropriate stakeholders in relation to this policy/function			
	Key Questions	Notes	If further consultations are needed/ planned – state with whom, by whom, when and how is this going to be done?
3.1	<p>What consultations have been held and with whom did you consult?</p> <p>What were the main issues raised?</p>	<p>Public consultations have been carried out annually, prior to the introduction of the policy and when changes have been considered. Consultations were conducted by way of an online questionnaire.</p> <p>The consultation was publicly announced.</p>	<p>The scheme will be reviewed annually, and if changes are proposed, then further public consultation will be conducted.</p>
3.2	<p>What consultations were held specifically with the equality target groups?</p> <p>What were the main issues raised?</p>	<p>In introducing a local council tax support scheme in 2013, representatives of equality target groups were identified and contacted electronically alerting them to the consultation and asking them to participate. Locally and nationally concerns were raised about the new liabilities created for those unable to work due to disability. We have addressed these by confirming that the current system of applicable amounts which protect these groups will remain in place.</p>	<p>As 3.1</p>

	Key Questions	Notes	If further consultations are needed/ planned – state with whom, by whom, when and how is this going to be done?
3.3	<p>Is the Council working in Partnership with other organisations to implement this policy/function?</p> <p>Should this be taken into consideration? (E.g. HDC – Corporate Housing; Resource Management Department for Work and Pensions Ministry Of Housing Communities and Local Government .</p> <p>Each LA participating in the Essex project will conduct their own EQIA.
