

## HARLOW LOCAL HIGHWAY PANEL REPORT 2 – SCHEMES AWAITING FUNDING

This Schemes Awaiting Funding List identifies all of the scheme requests that have been received for the future consideration of the Harlow Local Highways Panel.

The Panel had already agreed a Priority 2 list of schemes to come forward into the programme if additional monies were available in 2020/21. These schemes are identified within the report in bold text and it is recommended that these are now approved for the 2021/22 programme.

There are currently schemes awaiting funding with an estimated cost of £440,000.

The breakdown of scheme types is as below.

	<b>Total Estimated Costs</b>
<b>Safer Roads</b>	£32,500
<b>Traffic Management</b>	£112,000
<b>Walking</b>	£167,000
<b>Cycling</b>	£96,500
<b>Passenger Transport</b>	£16,500
<b>School Crossing Patrols</b>	£19,500
	£440,000

Costs supplied are estimates only and there is the possibility that a final scheme cost can change significantly dependant on issues which may arise during detailed design and construction.

On the Schemes Awaiting Funding List, the RAG column acknowledges the status of the scheme request as shown below:

<b>G</b>	The scheme has been validated as being feasible and is available for consideration
<b>A</b>	The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered
<b>R</b>	A scheme request has been received but is against ECC policy or there is no appropriate engineering solution
<b>V</b>	A scheme request has been received and is in the initial validation process
