

APPENDIX A

PARTNERSHIP GRANTS SCORING MECHANISM

Organisations wishing to apply for a partnership grant will be required to complete an application form and once applications are received they will be scored by officers using a standard scoring mechanism based on the criteria set out below:

- Funding will contribute to the council's priorities (score weighted 20%)
- The organisation is effective and delivers value for money (score weighted 20%)
- The organisation meets a clearly identified, researched and presently otherwise unmet need (score weighted 15%)
- The organisation takes the views of users into account in the design and delivery of its services (score weighted 15%)
- The organisation undertakes effective monitoring and evaluation of its work (score weighted 15%)
- The organisation actively seeks and secures other funding (score weighted 15%)
- The organisation has a policy on Equality of Opportunity (compulsory)
- The organisation provides its latest annual accounts (compulsory)
