

Hi Rachel,

Yes I am happy with these amendments and can confirm that the noise team would not make a representation in respect of this application. We also discussed the use of the garden, but Essex police have also suggested the same amendments that we would therefore assume that the application would be amended to include these changes.

Kind regards,

Dear Sally

Further to our conversation on 25.02.2022, this email is to confirm that we reached an agreement in our application to delete clause 3.0 to allow the performance of live music inside. We agreed that we would only seek to allow live music until 11.30pm on Friday's & Saturday's. Sunday – Thursday permitted hours for live music would be in line with the permitted hours for recorded music (11.00pm).

Yours sincerely

Steve
