Quantitative and qualitative data

Quantitative

Quantitative Research is used to quantify the problem by way of generating numerical data or data that can be transformed into usable statistics. It is used to quantify attitudes, opinions, behaviours, and other defined variables – and generalise results from a larger sample population.

What quantitative (numerical) data do you already have about those who use or will use the policy / service / function?

no data available nationally

What gaps are there in the quantitative data?

n/a

What other quantitative data do you need?

n/a

Qualitative

Qualitative research is a process of naturalistic inquiry that seeks an in-depth understanding of social phenomena within their natural setting. It focuses on the "why" rather than the "what" of social phenomena and relies on the direct experiences of human beings as meaning-making agents in their everyday lives.

What qualitative data do you already have about those who use or will use the policy / service / function?

none

What gaps are there in the qualitative data?

n/a

What other qualitative data do you need?

n/a

Consultation

Number of formal or informal consultation that have taken place or that you are planning to hold to inform your Equality impact assessment 1

Title of consultation	Date	Who did you consult with?	What were the main issues raised?	Gaps in data	If further consultations are needed to fill these gaps – state with whom, by whom, when and how is this going to be done?
Hackney Carriage Public Consultation for table of fares	26/10/2023	14 day consultation. All members of the public are consulted with via website public notice and a newspaper advert.	Consultation starts 26/10/2023	n/a	n/a

Protected characteristic groups from the Equality Act 2010

Assessment of Impact – Based on the data you have analysed and provided, and the results

of the consultation or research you have undertaken, list below how the policy or function will or does work for each of the following equalities groups.

Protected characteristic groups from the Equality Act 2010 - Disability

What do you know?

Wheelchair users have restricted transport methods and hackney carriage vehicles in Harlow are all wheelchair accessible, making these a great option for this group. S165 Equality Act 2010 requires that drivers of wheelchair accessible vehicles are not allowed to make an additional charge for wheelchair passengers.

What do people tell you?

The Licensing Team are unaware of any complaints regarding the fare charged by hackney carriage vehicles.

What does this mean?

Wheelchair users will be charged the same fare as other members of the public. All users are charged using the same tariff table.

What can you do?

n/a

Assessment of overall impacts and any further recommendations

All users are charged using the same tariff table.
