<b>Building Control</b> (October 2012)	1&2	Formalise arrangements for future out of hours emergency cover under an appropriately signed legal agreement.	Significant	The current out of office procedures are working well, however the possibility of formalising the agreement will be discussed with the Planning & Building Control Manager by 31 March 2014.	Planning & Building Control Manager/Head of Place	31/01/13	<del>31/12/14</del> 31/12/15	<p><b>Aug14:</b> The risk of not having a formal agreement in place with Uttlesford DC has been accepted. Should Uttlesford DC fail to deliver there are stand by contractors in place but would be very expensive.</p> <p><b>Nov14:</b> A consultant reported back in September 2014 and now the recommendations on an Essex wide approach to Building Control provision is being developed which will supersede the agreement with Uttlesford.</p> <p><b>Jan15 and May15:</b> No action will be taken until the outcome of the proposal to have a county wide partnership is known. If the partnership goes ahead then this recommendation will be superseded.</p> <p><b>Aug15/Oct15:</b> On course for Dec 2015 completion subject to the outcome of the proposal</p>	Overdue

<b>Commercial Rents Arrangements</b> (October 2015)	2	This spreadsheet should be removed at the earliest opportunity once data has been adequately transferred to Technology Forge to limit the risk of loss or corruption of data through error. In the interim the file should be password protected as read only. Segregation of duties issues also arise with the Property Manager authorising transactions as well as maintaining them on the spreadsheet.	Fundamental	Historically the Property Manager has periodically backed up the spreadsheet to ensure that data is not lost in the event that the spreadsheet is corrupted. Following this audit recommendation, the Property Manager has now also password protected the spreadsheet The spreadsheet is held on a central system and backup daily by IT server system.
